

Grand Lodge of Tennessee

Free & Accepted Masons

Charles W. Mixon / Most Worshipful Grand Master
100 7th Ave North, Suite 4
Nashville, Tennessee 37203

March 25, 2021

Brethren,

As we move into 2021, we at Grand Lodge are excited about the upcoming year. We continue to monitor the COVID 19 situation across the state of Tennessee. As state and local restrictions continue to ease, we must continue to monitor restrictions and continue to remain vigilant in keeping our members and our families safe and healthy.

As of today, I am lifting the ban on all Masonic degree work in the state of Tennessee. All lodges are free to proceed with any pending or new degree work. I believe that if each person and individual lodge follows the safest and mandated protocols, we will be able to continue to perform degree work through the 2021-2022 year.

*Lodges may now conduct degree work.

*Masks are encouraged but not mandatory except where such mandates remain.

*The Worshipful Master of each lodge and his District Chairman MUST be vigilant and stay informed of state, county, and city mandates.

*The Worshipful Master of each lodge and his District Chairman will be held accountable and responsible for any non-compliance to COVID-19 mandates reported to the Grand Lodge.

Sincerely and Fraternaly,

Charles W. Mixon
Grand Master
