GM lifts ban on Degree Work

Brethren,

I have lifted my ban on Degree Work under the said conditions:

- 1) Observe restrictions in your local area and continue social distancing when at all possible.
- 2) Masks must be worn by conferring cast members or those in direct contact.
- 3) Gloves must be worn by conferring cast members or those in direct contact.
- 4) Hand Sanitizer should be made available and used by all.
- 5) Temperature checking – obtain a non-contact thermometer and everyone entering the lodge must be checked.
